Where kids love to learn
and learn to love!

A ministry of Sammamish Hills Lutheran Church

We are pleased to offer an early childhood experience that focuses on the social, emotional, spiritual, academic and physical development of each child that is designed to encourage a deep love for learning and build confidence for the years ahead.

Our Program

Spiritual: We teach about God's unconditional love for us and the world He created as we enjoy learning Bible stories, singing Bible songs and participating in weekly Chapel time.

Social: We build upon the foundation you have laid to nurture your child's self-esteem and encourage positive interpersonal relationships by mentoring and encouraging the "art of friendship."

Pre-academic: We provide developmentally appropriate hands-on experiences in science, social studies, math and reading readiness.

Physical: We work on hand-eye coordination; pencil/scissors grasp and control; large and small muscle skills.

Arts: We provide daily opportunities for art and music as well as a weekly Music and Movement class to encourage the development of individual expression and appreciation for the beauty of God's world around us.
