2010-2011

Where kids love to
learn and learn to love!

A ministry of Sammamish Hills Lutheran
Church

Mission Statement

We offer an early childhood experience that focuses on the social, emotional, spiritual, academic and physical development of each child that is designed to encourage a deep love for learning and build confidence for the years ahead.

Philosophy and Program

Sammamish Hills Lutheran Preschool offers an age-appropriate theme based curriculum. The preschool day involves a wide range of activities including circle and story time, songs and music, center time activities, sensory activities, crafts, gross and fine motor development, active play time and chapel.

Special Programs

Chapel

As a Christian preschool we focus on teaching about God's unconditional love for us and the world He created. Each week students will have a chapel time. During chapel students will learn a bible story, sing Bible songs and learn how the bible stories relate to their lives.

Music and Movement

During this class students are exposed to various musical instruments and forms of music. Students will use their bodies for creative movement and use sign language while singing.

Lunch Bunch

Students in the 3's, 4's and Pre-k class are given the opportunity to extend their day and stay for Lunch Bunch. Students eat lunch together in their classroom with their teachers. They also have more time for centers and outside playtime.

Students have the option to stay daily, one time a week, or on a drop in basis.

We are a peanut and tree nut free school.

Staff

- All staff members are WA State STARS Certified and participate annually in early childhood conferences and courses.
- Our staff is First Aid and CPR certified.
- Our staff consists of highly qualified teachers with strong early childhood backgrounds. Each teacher brings many years of elementary or preschool education experience to our school.

School Calendar

We follow the Lake Washington School District calendar for most holidays and vacations. We offer a 9 month school year which runs from September through the end of May.
